

WYOMING VALLEY WEST SCHOOL DISTRICT
STATE STREET ELEMENTARY
TITLE I – SCHOOL / PARENT COMPACT

Dear Parent/ Guardian,

As a part of the Title I Program, your child will be afforded the opportunity to receive extra help and encouragement in school to be successful. This compact is an agreement among three parties: PARENTS, TEACHERS, AND STUDENT pledge to do their best to meet the academic standards appropriate for the child's grade level.

By signing this compact we, PARENTS, TEACHER, AND STUDENT, agree to take equal responsibility for success.

The parent will work cooperatively with the school and participate in his or her child's education by creating an atmosphere that encourages learning, attendance, homework completion, and respect for school personnel and classmates. The parent will attend open house and parent-teacher conferences, read the progress report, and communicate with the school if the child is not making sufficient progress.

The teacher will provide a high quality curriculum and instruction in a supportive and effective learning environment to help the student meet then academic standards; encourage parent involvement in their child's education; hold parent-teacher conferences to discuss the compact and student achievement; and distribute progress reports to parents.

The student will be a cooperative learner by developing a positive attitude towards school and learning, by asking for help when needed, by being respectful of others, by doing assigned homework, by limiting time watching television and/ or playing video games, and by being responsible for his or her own success.

Please speak with your child about his or her responsibility in this matter. *You and your child should sign this compact below.* Thank you for your cooperation in this very important matter.
