

hello

summer

**Here are some tips for having a great summer...
even if things are a little different.**

***click on images or underlined words for digital resources**

Keep a Routine

While routines are more flexible than schedules they help give our days structure

Continue physical activity

Create a Summer Bucket list "COVID style"

What do you want to MAKE, PLAY, LEARN that can be adapted?

Learning opportunities for Summer days

Relax with meditation

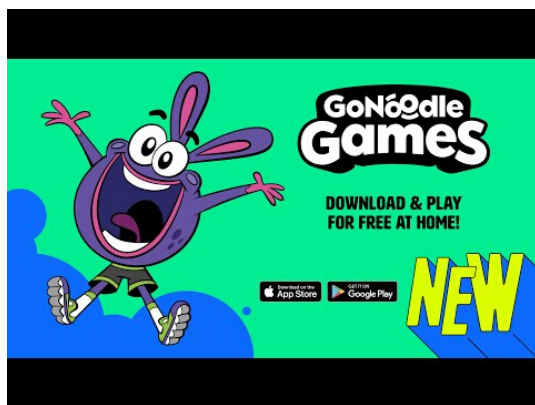

Music and dance!

Go on a virtual trip

Over 30 Virtual Trips with Links

Apps

Name 3 things that would be fun even if the power went out?

build a fort
draw or color
journal
make a craft

puzzle or word search
gardening
bike ride
science experiment

story telling
play an
instrument
reading
