

# Say YES to the Dress

(Pictured above): The event's supervisors: Mrs. Carey, Mrs. Fellerman, Ms. Yurko, Ms. Kane.

Prom season can be very costly for high schoolers, especially with the hair, suits, and dresses, it all becomes really expensive. Some dresses range from a couple hundred to a couple thousand dollars, and buying these dresses can take a toll on students' or parents' wallets.

Luckily for Wyoming Valley West High School students, the high school had an event on February 9 in which high-quality prom dresses were sold for just \$10 each! The formal dresses could be used for any event ranging from prom to homecoming, or any other formal event.

Dresses ranged in sizes 0-26 in all shapes, colors, and designs.

Teachers Miss Yurko, Ms. Fellerman, Mrs. Carey, and Miss Kane headed the event and created such a welcoming atmosphere and ensured the event was as successful as it was.

This was an amazing opportunity for all, and many showed up to support. With this being the first year of this event, students and teachers are hoping it continues in the future.
