

Summer Reading 2024-25 School Year

Any student who plans on taking English 9 Honors for the 2024-25 school year are asked to read two books over the summer break. The two books to be read are:

Persepolis by Marjane Satrapi

The Catcher in the Rye by J.D. Salinger

Students will be assessed when they return to school in September. It is with Pennsylvania State Academic Standards for English Language Arts 1.3: Reading Literature that these readings are assigned. Any questions or concerns can be addressed at dsieminski@wvwsd.org. Alternative readings will be assigned upon request. Have a great summer and enjoy the books!

Sincerely,

Mr. Sieminski
