Dear Senior,

You are about to enter into one of the most important times of your life, your senior year. This is a milestone and as such should be marked with a quality senior portrait. In today's day and age anyone can pick up a cell phone or digital camera and snap a photo and get them printed. However, it is not the way to mark this achievement in your life! A professional photo from KDP will last a lifetime.

KDP offers a wide variety of Senior Portrait Sessions. From the no-fuss senior, Traditional Portrait Session, to the senior who wants to add their personality to their portrait session with clothing changes, different poses and their props or even a location to make their session a little more personal. A pet or sibling is always a welcome addition to your Senior Session. We have a wide variety of Senior Portrait Sessions to suit your personal tastes and needs.

We understand what a hectic schedule you have in the summer months, and how difficult it is to even grab an hour for a portrait session.... But your senior portrait is one of those very important items on the senior summer to-do-list! In between summer jobs, vacations, sports and college visits – waiting until the last minute will make a session time nearly impossible. Don't wait until the last minute to schedule your appointment.

Immediately following your Traditional Portrait Session, you will be selecting your yearbook portrait. No waiting for proofs! Make sure that who ever wants to have some input on your senior yearbook portrait is present at the time of your sitting.

It's your finished portraits that really count! Remember you will never have this chance again to have a Professional Senior Portrait! And KDP prides themselves on their professionalism and the quality we provide to each of our customers!!

Sincerely,

KDP Staff

### TRADITIONAL PORTRAIT GUIDELINES AND TIPS:

**SENIOR GIRLS:** Choose a sweater, blouse, top or dress with a becoming neckline and sleeves. Any one of these styles will look best in your portrait. Choose a color that is flattering to your skin, eye and hair color. Avoid large prints they do not photograph as well as a solid color.

**SENIOR BOYS:** Sport coat, dress shirt and tie for your yearbook photo. **FOLLOW YOUR SCHOOLS GUIDELINES FOR SENIOR PHOTOS.** A clean-shaven face photographs the best. If you have a beard, mustache etc., please have it neatly groomed.

KDP offers a variety of Sessions, from Location to Full sessions, with clothing changes and the works and we would love to have you! Please give the studio a call to discuss the different sessions available 570.718.0442
