

Wyoming Valley West School District
BACK TO SCHOOL AT CHESTER

September 2020

Procedures for Pick-Up & Drop-Off of Packets

On the **FIRST** school day of each week (Tuesday 9/8, Monday 9/14, etc.) packets and materials can be picked up in the main entrance of Chester Street between the hours of 8 AM and 3 PM.

There will be areas set up by grade level, and each teacher will have their own labeled bin for their class. If you are unsure of your child's teacher, there will be class rosters posted at each grade level area. In addition, there will also be a bin containing one packet for the specials consisting of art, library, music, and physical education. Each week please pick up **1** packet from your child's classroom teacher and **1** from the specials' teachers.

If you are the parent of a student receiving gifted services, there will be a packet available from the teacher providing this instruction. Parents of children receiving gifted services should pick up **1** packet from their homeroom teacher, **1** packet containing specials, and **1** packet from their teacher providing gifted instruction.

On Monday 9/14, there will be a pick-up bin and a drop-off bin for each teacher and one bin for specials. Please pick-up and drop-off from the correct corresponding bins.

These materials will also be available on each teacher's Google Classroom page, along with supplemental materials.

Entry to the building will not be permitted unless you are wearing a mask and we ask that you please adhere to appropriate social distancing guidelines.

Thank you,

Tim Needle
Principal
Chester Street Elementary
